

2026 JEWISH HIGH HOLIDAYS *Sonoma County Guide*

Sonoma County is ready to welcome the Jewish New Year with celebration and services throughout our county, fueled by an abundant array of quality foods from both our local kitchens and markets.

On behalf of JCC SoCo, we wish you and your family a sweet and meaningful New Year. As the High Holidays approach, our whole community comes together across Sonoma County: in kitchens preparing round challahs and honey cakes, in sanctuaries gathering for services, and around tables set for family and friends.

This guide is our gift to you: a map of where to find local challah and Rosh Hashanah dinners, and a full list of services happening throughout the county. However you celebrate, wherever you are in Sonoma County, we hope this guide helps you welcome the New Year with warmth, good food, and community.

L'shana tovah,
The JCC SoCo Team
